Higher Education Annual Report

Citizens' Climate Lobby

The mission of Citizens' Climate Higher Education is to empower students, educators, administrators, and others in higher education to build political will for carbon fee and dividend legislation. Together, we can solve climate change.

STUDENTS ATTENDED THE 2017 INTERNATIONAL CONFERENCE IN WASHINGTON, D.C.

"We make progress in D.C. when we learn to view representatives as people (not just politicians), thereby building a relationship with mutual respect."

- Student Conference Attendee
